I. Background and History

Teller County Shooting Society (hereafter referred to as TCSS) was established in March of 2010 and is registered with the State of Colorado as a not-for-profit corporation and has an Internal Revenue Service (IRS) status of 501c(7): Social Club.

The idea for a local gun range was introduced in October 2009 at a public meeting in Woodland Park, Colorado. The vision was a shooting facility to be in Teller County that would be a safe place for experienced, novice and beginner gun enthusiasts to shoot in a local setting.

Initially, the greatest challenge was to find a suitable and affordable parcel of land on which to construct a shooting range complex. To the club's tremendous, good fortune, in 2013, the Cripple Creek and Victor Gold Mining Company (CC&V) provided a total of 263 acres of its property in the Gillette Flats area of Teller County to be used as a range site. Range facilities are limited to a designated 143 within those 263 acres. The CC&V also funded the architectural and engineering expenses involved in the design and permitting of the range construction plan. To this day we continue to enjoy the benefits of CC&V's vision and community philanthropy with a safe and environmentally responsible shooting sports facility.)

On June 27, 2013, the Teller County Commissioners issued and approved a resolution based on the findings of the Teller County Planning staff and thus the range was born. Part of that approval included a detailed set of Special Use Permit drawings which to this day are still adhered to by TCSS

II. Vision, Mission, and Core Values

a. **Vision:** *To be the premier firearms facility in the Teller County region, offering a full suite of full suite of shooting sport opportunities.*

b. **Mission:** *Promote safe shooting sports as well as the ideals of self-discipline, good sportsmanship while practicing environmental stewardship.*

c. Core Values

- i. **Safety:** The TCSS shooting facilities will be safe for its users and the surrounding community. Recognizing that a clean and well-maintained shooting facility is a safe facility, strict rules regarding trash and debris removal will be enforced.
- ii. **Environmental Stewardship:** Stewardship of the environment in and around the shooting range is paramount. The Gold Camp Shooting Sports Center (hereafter referred to as GCSSC) operates at what the National Rifle Association (NRA) terms "the highest possible level of care" for its members, guests, and neighbors, including sound, lead, wildlife conservation and wildfire mitigation.
- iii. **Community Outreach:** While TCSS is a private, non-profit organization, it will not thrive by becoming a closed organization, divorced from the surrounding community. TCSS has worked with the Cripple Creek and Victor Gold Mining Company (CC&V) to create a facility that can support the firearms-related programs of such organizations as Colorado Parks and Wildlife (CPW), the NRA,

the Boy and Girl Scouts, the 4-H, other youth groups, the American Legion, Hunter Safety Groups, The City of Cripple Creek, the Veterans of Foreign Wars, etc. Moreover, we collaborate with Teller County law enforcement agencies whereby they can use the range for official firearms qualifications, etc.

- iv. Civility and Responsibility: It is TCSS policy that there will be **“zero-tolerance”** for acts of violence, harassment or any other behavior that negatively affects the ability of our members and guests to have a safe and rewarding shooting experience at the GCSSC or any other TCSS activity.

III. Governance

TCSS is governed by a BoD of Directors comprised of a President, Vice-President, Treasurer, Recording Secretary, Membership Secretary, a Range Manager and two At-Large Directors. The club’s By-Laws are Appendix A of this handbook. The bylaws are considered legally binding rules that determine how TCSS is operated and how the TCSS BoD will operate and conduct business. Appendices to the Member Handbook are considered as rules and procedures to the operation and do not in any way supersede the by-laws.

IV. Finances

The TCSS treasurer oversees the financial business of the club. He is assisted by the services of a Certified Public Accountant (CPA) for tax-related activities.

V. Overview of the Gold Camp Shooting Sports Center

- a. The range facilities occupy 143 acres along the east side of Teller County Road 81 in the Gillette Flats area of Teller County, address is 1805 County Road 81, Cripple Creek, CO 80816. GCSSC is a multi-venue shooting facility operated by the Teller County Shooting Society (TCSS). This facility is operated and maintained to the highest standards of safety and environmental stewardship. The GCSSC is safe for its users and the surrounding community.
- b. The *Range Rules and Code of Conduct* detailed in the appendix of this handbook provide GCSSC users with specific information on the how the GCSSC operates and its safety rules. The rules are required reading for all GCSSC users, and for all new members prior to their being authorized to access the facility. In addition, all new members are required to attend an on-site range safety orientation.
- c. Another purpose of these rules is to continually evaluate the needs of the GCSSC operating procedures as they relate to existing and planned use of the facility. Safety rules and requirements will vary somewhat with each activity, i.e., rifle, pistol and trap, skeet.
- d. Utilities: There are no electrical, water, natural gas/propane or land-line telephone utilities at the GCSSC. Trash and toilet services are provided by commercial vendors and monitored by the TCSS Range Manager.

VI. Venues and Firing Positions

- a. Current Shooting Venues
 - i. 25-yard covered pistol/rimfire range with multiple shooting benches and target lines at 5, 10, 15, 20 and 25-yards.
 - ii. 100-yard covered rifle range with multiple shooting benches and target lines at 25, 50, 75 and 100-yards.
 - iii. 400-yard open long distance rifle range with two concrete shooting benches and metal targets at 200/300/400 yards.
 - iv. Shotgun range with a high and low skeet houses and a trap house. (Summer 2026)

VII. Operations

- a. **General Safety**
 - i. TCSS has established *Range Safety and Code of Conduct Rules* with SAFETY as our #1 priority. TCSS also requires range safety orientation training for all users. Any members requiring the range safety orientation training should contact the Range Orientation Coordinator.
 - ii. Operating hours at the GCSSC are daily from sunrise to sunset unless there is a club sponsored event scheduled, in which case, check the event details for impacts to range availability on the club website www.tcass-co.org.

VIII. Security and Access

- a. GCSSC is physically secured by fencing and a member-only padlock combination required access gate. Signage has been placed at intervals along the fences to notify that the property is a private shooting range. Despite these precautions users should visually inspect ranges before using to insure there have not been any breaches of security.
- b. Providing access to the GCSSC facility to non-TCSS members or other users without specific authorization is strictly prohibited.

IX. Environmental Stewardship

- a. **General Cleanliness**
 - i. TCSS has Contracts with APEX for waste removal and port-ta-potty services. Moreover, receptacles for discarded shell casings and other refuse are provided. Firing line areas users should pick up/clean up their discarded casings after each use and remove discarded shell casings for appearance and safety purposes. All materials will be re-cycled whenever possible. The Range Manager is responsible for the services at the range. If you are aware of any issues with the range cleanliness, contact the Range Manager.

b. Lead Mitigation

- i. As needed, accumulated lead will be removed from the GCSSC the ranges and particulate lead will be neutralized in and around the range firing lines. The time period between lead remediation efforts will be based upon range usage and estimated annual lead accumulation. Please sign the range log book when using the range to ensure we have accurate data upon which to estimate lead remediation requirements (Also, the number of hours the range is utilized will support applications for grants to improve the range).

c. Wildfire Hazard Mitigation and Fire Mitigation

- i. The Cripple Creek Fire Department (CCFD) will respond to fire-emergency calls. Call 911 or direct at 719-689-0292. The TCSS Fire Mitigation Policy is included as Appendix H.

d. Wildlife Habitat Impact

- i. The Colorado Department of Parks and Wildlife (CPW) has surveyed the GCSSC and provided a list of wildlife impact mitigation recommendations. *There will be absolutely no shooting of wildlife or animals of any kind at the GCSSC.*

ARTICLE I – Name and Governance

The name of this organization shall be the Teller County Shooting Society, Inc., hereafter known in these By-Laws as the TCSS. These bylaws are considered the overarching rules that determine how TCSS is to be operated and how the TCSS Board of Directors (BOD) will operate and conduct business. Appendices to the Member Handbook are to be considered as rules and procedures for the operation of TCSS and do not in any way supersede these bylaws.

TCSS is a private, 501c7 not-for-profit organization with the mission of promoting the safe and responsible ownership and use of firearms as guaranteed by the Second Amendment of the United States Constitution and the Colorado State Constitution, Article II Bill of Rights, Section 13. It is our further mission to promote the shooting sports in general as well as the ideals of self-discipline, good sportsmanship, and good citizenship within our community. These objectives shall be advanced by offering the residents of our community safe, secure and private facilities that can be effectively utilized by novice and experienced shooters alike.

ARTICLE II – Vision, Mission, Core Values and Goals

Vision, Mission and Core Values

Vision and Mission Statements along with Core Values are documented in the TCSS Member Handbook. First developed in 2020, the BoD will review and update every five years beginning in 2025.

Goals

In the 4th quarter of each calendar year the BoD shall develop the Goals for the upcoming year. Goals, along with specific objectives/milestone dates, will be provided by email to the general membership during the first quarter of the year and reviewed at the Annual Meeting. The President has ultimate accountability for ensuring goals and objectives are updated and completed.

ARTICLE III – Membership

- A. Any citizen or legal resident of the United States, 18 years of age or older, is eligible to become a member. Applicants must complete a membership application, render dues payment, complete the GCSSC Liability Release and Waiver form, and attend an on-site range safety orientation. Membership cards will be provided once everything is completed.
- B. A spouse of the primary member, 18 years of age or older, and a citizen or legal resident of the United States, is eligible to be an Associate Member and must also complete the GCSSC Liability Release and Waiver form and attend a range safety orientation.
- C. The term “Member” hereafter denotes a “Member-in-good-standing,” defined as one whose dues are current and who is not under suspension or pending other potential adverse action by the TCSS.
- D. All members shall adhere to and agree to the following PLEDGE: *“I certify that I am a citizen or legal resident of the United States of America; that I am at least 18 years of age; that I am not prohibited from possessing a firearm under the laws of the United States or of any of its federated states, territories, or the District of Columbia; and that, if admitted to membership, I will fulfill the*

obligations of good sportsmanship and citizenship and abide fully with the Bylaws and all range rules.”

E. Types of Membership:

- a. Primary: An adult, 18 years of age or older.
- b. Associate: A spouse 18 years of age or older, residing at the same residence of a Primary Member.
- c. Charter Members: Members who established membership on or before March 24, 2010. They may upgrade their membership at the 2010 membership rate of \$150 in perpetuity.
- d. Legacy/Multi-Year Members: Beginning in 2009, ending in 2018, multi-year memberships were offered. By paying an additional fee those members established a multi-year Bronze (5 years), Silver (10 years), Gold (15 years) or Platinum (Life) membership.
- e. Member Emeritus: An honor and status conferred by the TCSS BoD to a Member to show respect for a very distinguished career. This unique and very selective status is awarded due to the member's many contributions and hours of service.

F. Guest Allocations:

- a. Guest allocation numbers are as follows:
 - i. Regular Primary members: Limited to 3 guests/month
 - ii. Platinum/Lifetime Members: Limited to 20/guests/month.
- b. The following applies to all members:
 - i. Guests are defined as those people that have never been a member of TCSS
 - ii. The same guest cannot visit the range more than 3 times during the membership year.
 - iii. No more than three adult guests per visit limited to two active shooters; all other persons must be behind the Red Line.
 - iv. Five or more adult guests constitutes a “group” and would need to be pre-approved via the “Group Range Use” policy.

G. Membership information shall not be disclosed to any person who is not a member. Any request to inspect membership data must be made in writing stating the purpose. The BOD, in its sole and absolute discretion, may either approve or deny such requests. Under no circumstances shall personal information, other than a member's name and mailing address, be disclosed to any other person or entity including, but not limited to, members of the TCSS. Members shall not disclose the identity of fellow members without that member's approval. These restrictions protect Members' security and privacy.

H. Copies of the TCSS Member Handbook, including the Range Safety Rules and Code of Conduct, shall be furnished to each Member upon approval of the Member's application.

I. GCSSC is a National Rifle Association (NRA) affiliated range and does receive certain benefits such as local FNRA grants, range listed on the NRA website, and NRA affiliation status. Individual membership in the NRA, or any other organization that provides Second Amendment support, is highly encouraged, but not a prerequisite for membership.

- J. TCSS is a volunteer-driven, member-owned, managed, and operated organization. TCSS has no paid employees and is completely dependent upon member volunteers for its day-to-day operation. As such, ALL members are expected and encouraged to take ownership and do their part.
- K. Member Dues
 - a. Existing Member Renewal Dues: Beginning February 1, 2024, new member dues increased from \$150 to \$175.
 - b. Charter Members, defined as those who established membership prior to March 24, 2010, may upgrade their membership at the 2010 membership rate (\$150) in perpetuity.
 - c. New Membership Dues: Beginning January 1, 2024, new member dues are \$175. New member dues are prorated to \$100 beginning August 1 through December 31.
 - d. The membership year for all Members runs from March 1 through the end of February of the following year. The renewal process will be initiated in early January by the Membership Secretary.
 - e. The annual dues amount shall be reviewed annually and adjusted as necessary by the BoD of Directors prior to the end of the calendar year.
 - f. Membership dues, once paid, are non-refundable if a member decides to leave the club.

ARTICLE IV – Group Range Use

- A. At times there will be various groups, not directly related to TCSS, that may want to use the range for basic firearms training or other group firearms related activities. An individual requesting the use of the range is required to submit a group usage request form to the TCSS Board of Directors (BOD). Final approval of the request and the decision as to whether to charge a fee is at the discretion of the BOD.
- B. Event Day Cancellations: In the event of bad weather or any other valid reason, the event lead is responsible for cancelling and/or rescheduling. No BOD approval vote is required. However, it is expected that when canceling an event, the BOD will be contacted and given advance notification, a minimum of 24 hours in advance if possible. The lead will also contact the webmaster and communications team, should a website update and email distribution be required. For Public Days, the RSO Coordinator is the lead and has cancellation privileges in the event of an RSO shortage.

ARTICLE V – Meetings

- A. Annual Membership Meetings: An Annual Meeting will be held the first Saturday of March. If it cannot be held on that date, it shall be held as soon as possible thereafter, and members of the BOD of Directors (BOD) shall remain in office until their successors have been elected and seated. Notice of the meeting date, time and location will be made to all members at least 30 days prior to the meeting.
- B. Meetings of the BOD: BOD meetings shall be scheduled by the President and held as necessary. BOD meetings may be called by the President, or by a majority of the BOD. Notice of the time,

date, agenda, and place of every meeting of the BOD shall be given by the President to the BOD of Directors prior to the meeting.

- C. Quorum: Five members of the BOD shall constitute a quorum for the transaction of business at any meeting of the BOD. If less than five members are present, the majority present may adjourn the meeting without further notice. The act of a majority present at a meeting at which a quorum is present, shall be the act of the BOD, unless the act by a greater number is required by law, by the Articles of Incorporation, or these Bylaws. Each member of the BOD, including the president, shall have one vote on all matters.
- D. General Membership Meetings: General membership meetings will be scheduled quarterly. The purpose is to conduct business, inform members of activities and provide guest speakers on topics relevant to the Membership. The Vice President will reserve the location of the meetings and make sure the notice and agenda of the meetings is sent to the membership via email within fourteen days of the meeting. Unless otherwise noted, if the General Membership meeting contains a topic requiring a vote by the Membership, the issue in question shall be decided by a simple majority of the voting Members present at the meeting.
- E. Voting: Matters referred to the membership by the BOD shall be decided by a simple majority of voting Members present at the meeting. Voting will be conducted and votes counted at the Annual, or at a General Meeting, for which the issue was noticed. Each membership is allocated one vote.
- F. Conduct of Meetings: All meetings shall be conducted using Roberts Rules of Order, Eleventh Edition.

ARTICLE VI – Officers and BoD of Directors (BoD)

- A. Officers: TCSS Officers shall be the President, Vice-President, Recording Secretary, Membership Secretary, and Treasurer. SHOOT STEEL TARGETS AT YOUR OWN RISK - MAKE SMART CHOICES AND DECISIONS.

Appendix D: Shotgun Range Safety and Code of Conduct Rules

Place Holder - Rules currently under development

Appendix E: RSO Coordinator and RSO Roles and Responsibilities

Range Safety Officer (RSO)

The primary role of TCSS RSO's is the safety oversight of all attendees at all events they oversee. RSO's should have a very good understanding of firearms and their operation as well as a high level of commitment to SAFETY.

1. RSO Qualifications:
 - Current NRA RSO certification is preferred.
 - Detailed knowledge and understanding of current TCSS safety and code of conduct rules.
2. On public day and group events the RSO will provide a detailed overview with all non-members of our Safety and Code of Conduct Rules prior to the handling of firearms. Check for currently banned firearms as well as ammo restrictions.
3. "Range Open" sign to place at the entrance gate at the beginning of the event and removed at closing. Gate to remain open.
4. Feather flags to be placed at the entrance gate signifying Range Open to the Public.
5. Flag to be raised at the start of the day and lowered at the end of the day.
6. Make sure everyone signs the range sign in book.
7. In case of an emergency the RSO will refer to the **Emergency Contact List**.
- 8. Public Day shooters are limited to the 100-yard range, no exceptions.**
9. Fees are \$15/shooter, under 18 are free and must be accompanied by a parent or legal guardian.
10. Encourage non-members to join and can provide those interested with a copy of the TCSS Fact Sheet. The \$15 fee will be credited to their membership fee.
11. The cash box is kept in the new Conex, combination is 4350.
12. Reports to the RSO Coordinator after their shift on the number of attendees and any other issues.
13. Key Phone #'s:
 - RSO Coordinator: Laurel McKinney: 719-338-8628
 - TCSS President: Jim Dickey: 720-235-5412

RSO Coordinator: Roles and Responsibilities

The primary role of the RSO Coordinator (RSOC) is the coordination and scheduling of TCSS RSO's for our public days and other group events.

1. Direct oversight for the TCSS Range Safety Officer (RSO) program, must be an NRA certified RSO.
2. Ensure RSO's are aware of the roles and responsibilities and serves as their primary point of contact.
3. Solicit and schedule RSO's for public days for group events requiring an RSO.
4. **Public days will be cancelled by Noon on Thursday** if there are still open slots for the upcoming weekend. **The RSOC will notify Jerry Smith and Khris Myers so the website and FB page can be updated in a timely fashion**
5. Keeps an RSO Calendar tracking spreadsheet to include the following:
 - a. Month/Date/Event/Time columns for Public Day and other group events
 - b. Name of RSO's for each event
 - c. Number of public attendees at each event
 - d. The Board will communicate with the RSOC as to any new events or event cancellations.
6. Maintains and updates a list of RSO's with contact and NRA RSO information.
7. The membership secretary will also track RSO's, their current TCSS membership and communicate with the RSO.
8. Encourages RSO's to volunteer for their minimum # of shifts per year, two full days or four half days.
9. Coordinates with the TCSS board on RSO related issues, encouraged to attend board meetings.

Appendix F: New Member Range Orientation Summary

1. **MOST IMPORTANT:** Review the Safety, Code of Conduct and Steel Target Rules posted in the 100-yard shed in detail. This would include the ammo restrictions, and no shooting at any animals or wildlife.
2. **ALWAYS:** Stand **behind the Red Line** when the range is cold after picking up brass and after changing targets. Use the **orange “Empty Chamber”** indicators when the range goes cold.
3. Padlock on gate: To open the lock, line the combination up with the black dots/line in the top of the window. Always use the left-hand side gate as you enter, same gate as you leave. Always lock the gate behind you after you enter and leave.
4. **Member ID: Must be visible** while at the range – Use GCSSC/TCSS lanyards.
5. Members AND Guests must SIGN the range book upon arriving and when leaving.
6. Members are limited to 3 guests/month and the same guest cannot attend more than 3 times in a year.
7. **RAISE AND LOWER** the red flag upon arrival AND when leaving.
8. Because of the berm between them, the **25 and 100-yard range can operate independently**. The **100 and 400-yard range MUST be operated as ONE RANGE**, if one is hot the other must be considered hot. If one is cold the other must be cold.
9. Pistol Shooters: Please use the 25-yard range.
10. Anyone going down range on the 400 must notify those at both the 25- and 100-yard ranges and they MUST go cold.
11. **NO SHOTGUN SHOOTING** at the 25, 100 and 400-yard ranges.
12. Keep an eye out for any hikers in the areas along the tree line at the back of the range.
13. **COMMUNICATE** with fellow shooters. When more than one shooter is present, always designate one person as the on-site RSO.
14. **CLEAN UP** prior to leaving and remove paper from your target stands.
15. The two center and smaller corrugated metal panels at the 100-yard range can be temporarily removed to go down range to change targets or to shoot prone.
16. We expect a formal opening of the Shotgun Range in 2026 and the range will be open only on selected dates when a range officer is present to operate the throwers and monitor safety compliance.
17. We are a volunteer-based organization – **PLEASE VOLUNTEER when those opportunities exist.**

Appendix G: TCSS FACT SHEET

TELLER COUNTY SHOOTING SOCIETY

Vision: *To be the premier firearms facility in the Teller County region, offering a full suite of full suite of shooting sport opportunities.*

Mission: *Promote safe shooting sports as well as the ideals of self-discipline, good sportsmanship while practicing environmental stewardship.*

1. The idea for a local gun range was initially introduced in October 2009. The vision was a shooting facility in Teller County providing a safe place for gun enthusiasts, experienced and novice
2. TCSS was formally established in March of 2010, as a 501(c)(7) organization and the designated operator of the Gold Camp Shooting Sports Center (GCSSC).
3. The initial challenge was to find a suitable and affordable parcel of land on which to construct a shooting range complex. In 2013, the Cripple Creek and Victor Gold Mining Company provided 263 acres. The physical range facilities were to be limited to a designated 143 acres within those 263 acre. The property is on Highway 81, on the way to Victor, just past the KOA Campground.
4. In June of 2013, based on the recommendation of Teller County Planning, the Teller County Commissioners approved a resolution approving the range. That approval included a detailed set of Special Use Permit drawings which to this day are still adhered to by TCSS.
5. TCSS is governed by a eight-member Board of Directors, board meetings every three weeks and all-member meetings quarterly. Board members are elected annually at the March all-member meeting.
6. The GCSSC is open to members from sunrise to sunset, seven days/week. Venues include the following: a 25-yard pistol range with a covered shelter; a 100-yard rifle range with a covered shelter; a 400-yard rifle range with berms and metal targets at 200/300/400 yards (planned expansion in 2026 to 500-yards) and amember-only trap and skeet range scheduled to open Summer of 2026.
7. Events hosted at the GCSSC include pistol/rifle training classes; youth firearms safety training; hunter sight-in days; informal member shoots and various events coordinated by Colorado Parks & Wildlife.
8. Memberships are available with annual dues of \$175, prorated to \$100 in August. The membership year extends from March 1 through the end of February.
9. Public Days for non-members are hosted on weekends from May through October.

For more information and/or to apply for membership see the TCSS website at: www.tcass-co.org

Appendix H: Fire Mitigation Policy
(Updated December 2024)

General Information

- Firefighting equipment is in the 100-yard range shelter: shovels, rakes, and fire extinguishers
- No tracer or incendiary ammunition, or exploding targets/Tannerite of any kind are allowed
- Shooters will be extra vigilant during Orange and Red Flag Warning Days and Stage 1 and 2 fire bans
- Smoking allowed only in designated area
- No fires are allowed anywhere on range property

Orange and Red Flag Warning Days

Per the current Teller County Fire Ban Guide, recreational shooting at the GCSSC is allowed with caution.

Stage 2 Fire Ban

Per the current Teller County Fire Ban Guide, recreational shooting at the GCSSC is allowed with caution.

Stage 3 Fire Ban

The GCSSC will be fully CLOSED. TCSS will communicate the fire ban status to all members via e-mail both when the range is closed and then reopened and the website will be updated. The Range Manager or member of the TCSS BoD of Directors will lock the gate to prevent access by anyone until the Stage 3 fire ban is reduced or lifted.

Appendix I: Committee Chair Duties

The below are all volunteer and non-elected positions.

Range Safety Officer (RSO) Coordinator - Responsible for the club's RSO program including training, recruitment, scheduling and maintaining the club's database of current RSO's. Maintains a record of RSO volunteer shifts/days and public attendees. The RSO Coordinator attends and participates in all BOD meetings but is considered a non-voting member. Qualifications include being a current TCSS member as well as a current NRA certified RSO.

Grant Administrator: Responsible for financial grant solicitations and proposals. Works closely with the BoD of Directors. Maintains contact, and a viable working relationship with appropriate outside agencies. Responsible for re-affiliating annually with the NRA and all other organizations with which the TCSS is affiliated. Typically, this role is filled by one of the at-large directors.

Web Site Administrator: Responsible for the design, development, maintenance and troubleshooting of the club website. Experience includes implementing security protocols, modifying programs, creating backups, resolving software problems, and updating content.

Range Safety Orientation Coordinator: Responsible for the Club's new member range orientation program. Works closely with the Membership Secretary to ensure all new members attend an on-site range orientation and safety briefing before TCSS membership badges are issued and range access is granted.

Appendix J: Group Range Usage Request Guidelines

The below are intended as guidelines to assist the TCSS BOD during the review and approval process of the Group Range Usage Request form. The guidelines will help the BOD review all requests in a consistent and fair manner. Ultimately the BoD has the authority to decide whether or not to approve the request, and if approved, the stipulations that will apply.

1. The **Group Range Usage Request Approval Form** (next page) is to be completed by group range use requestor and submitted to **any TCSS BoD member** for their initial review for accuracy and completeness. The TCSS Liaison will submit the completed form to the BoD for review. That BoD member will then serve as the Liaison and point of contact with the group throughout the review process.
2. The proposed group activities must be in alignment with the Special Use Permit (SUP) granted to TCSS by Teller County. Those activities must be related to, and in support of firearms related activities. And if so, no additional County related permits are required. Per our SUP no preparation of food is allowed on-site.
3. The applicant must provide proof of Liability Insurance, \$1,000,000 minimum, at least two weeks prior to the event.
4. The group must provide a qualified range safety officer to monitor the event. Qualifications and/or certification must be provided at least two weeks prior to the event.
5. During the review the BOD will discuss and determine such things as the following:
 - a. Group usage fee; Activities that are profit based will be charged a fee determined by the BOD. Non-profit will receive consideration for a reduced or waived fee.
 - b. In support of our youth (18 & under), special consideration for a reduced or waived fee will be given to organized youth groups (girl scouts, boy scouts, church groups, etc.)
 - c. If the event results in revenue for the requesting party, we may agree to a revenue split in addition to the shooter fee with BOD approval
 - d. If TCSS has to provide Range Safety Officers (RSO's), a fee will be determined by the BOD.
 - e. The closing of the range during the activity is a BOD determination. As a general rule with larger groups, the specific range being used will be closed to members and the public.
6. A TCSS BOD member or a designated TCSS member is required to be present during the group activity.
7. For larger groups. Due to safety concerns, our SUP requirements, and our limited parking, the number of participants and/or vehicles may have to be limited at the range.
8. If there are more than 50 planned attendees, the requesting group may be required to reimburse TCSS for additional porta-potties.
9. Upon approval the BOD Member Liaison will send a confirmation packet to the group representative confirming dates, times, any special range requirements, RSO's required, and fees. Included will be a copy of GCSSC Range Rules and Waivers.
